Welcome Back

After a brief hiatus, the **Baseball Reminiscence League with Dr. E** and **Open Arts Alliance with Rocco Natale** have returned to River House!

The Baseball Reminiscence League uses America's favorite pastime to generate conversations among clients and baseball fans from the local community. Participants share stories, play games, and connect with each other through their love of baseball.

Open Arts Alliance is a nonprofit organization that uses the performing arts to create educational programs for children and aging adults. At River House, Open Arts Alliance engages clients in discussions about Broadway shows and other topics related to theater.

If you would like to know more about these programs, please contact us at (203) 622-0079 or info@theRiverHouse.org.
